

## **Social Housing across 6 Districts of the West Midlands**

Home Choice Plus has been developed by a number of Local Authorities and Registered Social Landlords, working in partnership.

We are committed to working together to offer choice from a range of housing options for people in housing need.

The service we offer our applicants will be easy to understand, transparent and fair.

We will make sure that vulnerable groups and individuals are able to access the service we provide.

The partnership is:

Please Note:

- Most properties do not have carpets, furniture or kitchen appliances (cookers, fridges etc).
- Not all properties have gardens or parking spaces.
- Some properties have sheds, for extra storage.
- Newer properties may have off street parking, good storage space and provision for kitchen and laundry appliances.
- Councils and Housing Associations are working hard to make sure that their properties reach the Governments 'Decent Home' standard.
- Councils and Housing Associations must keep their properties in good repair.
